

DEEP WOODS ESTATE, HILLSIDE, CABERNET SAUVIGNON, 2016

Wine Introduction

These multi-award-winning wines display individual varietal characteristics and represent unsurpassed excellence from the Margaret River Region. The range receives much praise, with prominent Western Australian journalist Ray Jordan noting, "Quite simply, you don't expect to get this level of sophistication at this price point."

Tasting Notes

The Hillside Cabernet Sauvignon is a unique expression of the Margaret River wine region – one of the best Cabernet producing areas in the world.

The fruit was sourced from mature vineyards in the Yallingup and Wilyabrup sub-regions of Margaret River and is crafted to be an expressive, yet drinkable, style of Cabernet Sauvignon.

Winery Background

The 80-acre property is perched high on a ridge which unfolds into a picturesque secluded valley bounded by stands of Jarrah and Marri trees; hence the name Deep Woods. The estate comprises a modern winery, vineyard, cellar door and homestead and with its large natural spring, dense woodlands and spectacular views is surely one of the region's most scenic wineries. The philosophy of low vineyard yields producing outstanding fruit, which is processed and bottled in small batches, ensures superior quality wines.

Deep Woods' small and dedicated team controls the winemaking process, which utilizes a combination of traditional and modern techniques, from the vine through to the bottle. The estate is one of only a few small wineries in the region with its own bottling line.

The team at Deep Woods is passionately focused on producing quality wines through management of the vineyard, fruit selection and winemaking techniques, and consistently produces award-winning wines primarily from estate-grown fruit.
