

ROCHE MAZET, SAUVIGNON BLANC, 2017

Wine Introduction

Meticulous selection!

In Pays d'Oc, this variety with its strong character has found terroirs that enable it to live up to its reputation. Roche Mazet selects wines from plots on the regions terraces with different traits that enhance the quality of the blends. This Sauvignon varietal, clearly branded Roche Mazet, is a carefully and accurately constituted mosaic that demonstrates all the aromatic breadth of this grape variety.

Tasting Notes

Roche Mazet Sauvignon has a bright pale-yellow robe with green tints. On the nose, delicate aromas abound of white flowers, boxwood and exotic fruits. On the palate, it is well-balanced, elegant and very lively and fresh.
